The Amildar of Hiriyur Taluk having drawn as in the case of other officials the local allowance to the Village Panchayet Inspector and Village Panchayet clerk attached to his Taluk, as indicated in the margin, the Comptroller took objection thereto and directed the amount to be shortdrawn on the ground that the expenditure was not covered by Government sanction. In the circumstances I request you to be so good as to instruct the Comptroller to withdraw the objection and also obtain sanction of Government permitting the above mentioned officials to draw the allowance.

After a careful consideration of the question in all its aspects Government are pleased to issue the following rules for the grant of special locality allowances in supersession of all existing orders relating to malnad & semimalnad an allowances & also allowances to Officers stationed in unhealthy tracts & specially expensive localities Viz., Krishnaraja Sagara Hiriyur & Kolargold fields"—

CHIEF SECRETARY
3 SEP. 1928

SIR,

I have the honour to state that the Deputy Commissioner, Shimoga District reported in his letter No. A7.C. 836/27-28 dated the 29th December 1927 (copy enclosed) that representations were being recovered in his Office from Village Panchayet Inspectors and clerks for the grant of special locality allowance in accordance with Government Order No. 3290-349/S. and A 101-25-2 dated 27th October 1926 and enquire whether the Government Order could be applied in the case of Village Panchayet Officials also. As the Government Order was applicable to all officers in superior service whose emoluments do not exceed Rs 50/- per mensem, the Deputy Commissioner was informed that the allowances may be sanctioned to the Village Panchayets Officials also. In pursuance with these instructions, the allowances appear to have been claimed in the case of some officials and the Comptroller is stated to have taken objection on the ground that sanction of Government is necessary to draw the allowance and that further there was no budget provision to meet the expenditure. The Deputy Commissioner has therefore requested that orders of Government may be obtained for drawing the allowance to Village Panchayet establishment working in the special localities referred to in the Government Order. I agree with the Deputy Commissioner, that the Village Panchayet officials who work in the Special localities

P.T.O.

mentioned in the Government Order ought to get the allowance as in the case of other officials and the want of budget provision is no reason to deny these officials to the concession shown to officials similarly situated. There is nothing in the Government Order restricting its application to any particular class of officials. The limitation mentioned in the Government Order is only with respect to the emoluments the official is drawing in the specified localities. I request that under the circumstances explained, the Comptroller may be asked to withdraw the objection and pass the bills The expenditure involved will be ascertained from the several Deputy Commissioners and intimated to Government in due course so that a supplemental grant may be obtained for meeting the extra charged involved.

A copy of Deputy Commissioner's letter No. A2.C. 148/28-29 dated 28th July 1928 and also of its enclosure accompany for reference.

letter No. 3077 dated 6-5-1928, addressed to the Deputy Commissioner Shimoga District, as authority for paying the same.

The Revenue Commissioner's letter only conveys his opinion that the allowances are payable to these ~~offi~~ staffs also, and the memo of retrenchment issued from this office was on account of want of Government sanction to pay the allowances to the Village Panchayet establishment also and absence of provision in the Budget. As such the allowances are not admissible to the said Establishment, and I therefore request you to be so good as to issue needful instructions to the several taluk Treasury officers to recover the amounts already paid during 1927-28. They may further be informed that if any further payments on account of the same are made, they will be held personally responsible to make good to Government the amounts so paid. Reference is invited in this connection to Article 26 M.A.C. Vol.I. and to Note 2 under Article 25 M.C.A.C. Vol.I. The names of the Treasury Officers who have failed to carry out the retrenchment as per the instructions of this office will be duly reported to Government if the amounts are not recovered from the pay bills for July.

The action taken by you in the mat er may kindly be intimated to this Office early.

Special Localities Allowances.

Issues revised rules for the grant of —— with effect from the 1st July 1927.

READ—

Government Order No. Fl. 6723-72—S. & A. 166-19-1, dated 24th March 1920 issuing rules regulating the grant of allowances to officers stationed in unhealthy and specially expensive localities.

ORDER No. FL. 3290-349—S. & A. 101-25-2, DATED 27TH OCTOBER 1926.

Certain allowances called Malnad and Semi-malnad allowances are now being given to some officers stationed in the four Districts of Shimoga, Kadur, Hassan and Mysore. But the whole arrangement is full of anomalies. Officers of some Departments get these allowances while those of others do not, though all of them are working at the same places. Even in the same Department some of its officers get these allowances while others do not. In some cases, even in the same department, the rates allowed differ. These distinctions and divergences are indefensible and they have formed the subject of discussion both in the Representative Assembly and the Legislative Council. Repeated representations have also been made for the grant of malnad allowances to school masters, residing in Malnad districts.

2. An attempt at introducing a uniform arrangement was made in 1920 and Government agreed with the Local Allowance Committee which considered the question that officials of all Departments (on pay not exceeding Rs. 100) stationed in Malnad and other specially unhealthy or expensive localities should be treated alike and given a uniform rate of allowance. As the Committee's recommendations involved additional expenditure, Government decided in the order read above that they might be given effect to as soon as funds were available, but the decision has not so far been given effect to.

The position has, besides, since altered in some respects and it is necessary therefore to review it again with a view to remove, as far as possible, the inconsistencies in the existing arrangement and to limit the additional expenditure to the minimum.

3. After a careful consideration of the question in all its aspects, Government are pleased to issue the following rules for the grant of Special Localities Allowances, in supersession of all existing orders (except as specified below) relating to Malnad and Semi-malnad allowances and also allowances to officers stationed in unhealthy tracts and specially expensive localities, *viz.*, Krishnarajasagara, Hiriyur and Kolar Gold Fields:—

(i) Officers in superior service who are stationed in places specified in Appendix S of the Mysore Service Regulations and in Krishnarajasagara, Hiriyur and the Kolar Gold Fields, and whose emoluments do not exceed Rs. 50 per mensem will be permitted to draw "Special Locality Allowances" at the rate of one anna per rupee subject to a minimum of Rs. 1-8-0 per mensem.

Note.—Emoluments for this purpose will include pay, allowances of all kinds excluding only travelling allowance and pension, if any, drawn for past service.

No. FL. 3290-349—S. & A. 101-25-2, DATED 27TH OCTOBER 1926.

(ii) The allowances now drawn on account of unhealthiness of locality or costliness of living by officers on pay exceeding Rs. 50 residing in the localities referred to above, will cease with effect from the date on which the new rules come into force the present incumbents being permitted, however, to draw them till they are transferred.

(iii) Members of menial establishments working in the areas specified above, will not be entitled to the "Special Locality Allowances." Such of those officers as are now drawing special allowances in Malnad or other special areas will however continue to do so and these allowances will cease on change of incumbents.

(iv) These rules will not apply to officers in the Military, Railway and Police Departments in respect of whom the existing orders will apply, until the cases of these Departments are considered and separate orders are passed regarding them.

4. The revision of "Special Localities Allowances" according to the above rules involves an extra cost of about Rs. 6,843 per annum, when it is fully brought into effect. The new rules sanctioned in this order will come into force from the 1st July 1927, except in regard to the discontinuance under rules (ii) and (iii) of existing allowances, which will be given effect to as soon as the conditions contemplated in the rules occur. The Comptroller is requested to make the necessary provision in the next year's budget.

Government Order No. L. 351-69—V. P. 2-27-2, dated 18th July 1927, directing the continuance till the end of 1927-28, of the temporary establishment noted below for Village Panchayet work in the State:—

(1) One Panchayet Inspector on a pay of Rs. 60 plus horse allowance of Rs. 15 for each Taluk and on a pay of Rs. 40 plus horse allowance of Rs. 15 for each Sub-Taluk.

(2) One Panchayet clerk on Rs. 30 for each Taluk and on Rs. 20 for each Sub-Taluk.

2. Government Order No. L. 2237-46—V. P. 36-27-1, dated 21st October 1927, directing that the horse allowance of Rs. 15 a month granted to Village Panchayet Inspectors be replaced by a cycle allowance of Rs. 7-8-0 a month from 1st November 1927.

3. Decision at the meeting of Officers held in the Public Offices at Bangalore on the 29th February 1928, that the post of Village Panchayet Inspectors may be abolished and that their work may be assigned to the Revenue Inspectors of the respective Hoblis.

4. Correspondence ending with letter No. C.-5729—27-28, dated 28th June 1928, from the Revenue Commissioner in Mysore in the matter.

ORDER NO. L. 711-29—V. P. 63-27-5, DATED 21ST—24TH JULY 1928.

The Revenue Commissioner considers that in view of the difficulty in the absorption of the existing Village Panchayet Inspectors and of the time that is still required for giving effect to the redistribution of the Hoblis, it is not possible to abolish the appointments of Panchayet Inspectors at once. He explains that the work done so far has been mainly in the direction of constituting the Panchayets, electing Office-bearers and giving effect to the new system of taxation and that during the current year it is intended to devote more attention to intensive work and that for this purpose the services of Panchayet Inspectors to help the Amildars and Deputy Amildars are necessary.

2. The Revenue Commissioner therefore recommends that the Panchayet Inspectors may be continued for one more year and the Deputy Commissioners may be definitely informed that from the beginning of the year 1929-30 these appointments will cease and the Revenue Inspectors should undertake this work. In these circumstances, Government are pleased to approve of the recommendation of the Revenue Commissioner and direct that the Village Panchayet Inspectors and clerks sanctioned for each of the Taluks and Sub-Taluks in the State be continued till the end of the current year, the charge being met from the provision of Rs. 1,54,500 made in the current year's State Budget under "30 Grants for Public Improvements, 5 Rural Reconstruction."
